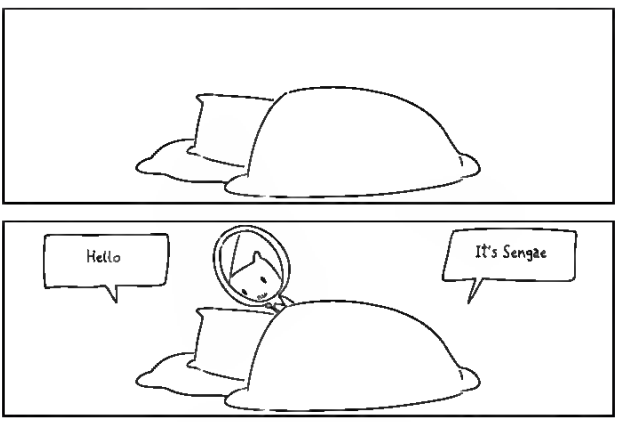
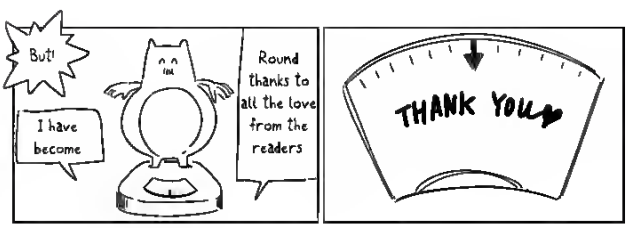
AFTERWORD

#1



I'm moved that I can write another afterword
What should I say? It's all thanks to you

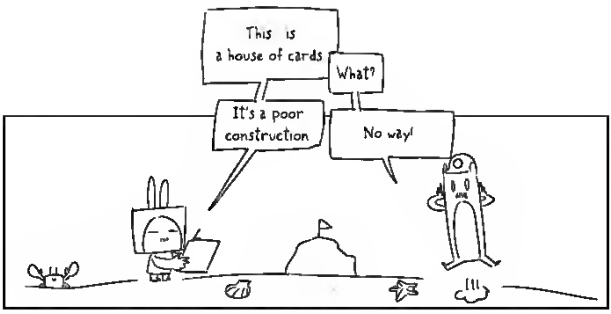
I am still a newborn but it's been
quite a while since publishing this comic serially
I didn't know how much work it would be to crank out
2 chapters every week



I have read almost all of the emails that were sent to me
but please forgive me! I have missed yours or have not replied

#2

I know I'm not perfect.
I can only see mistakes looking at the past
In a word, it's completely rushed



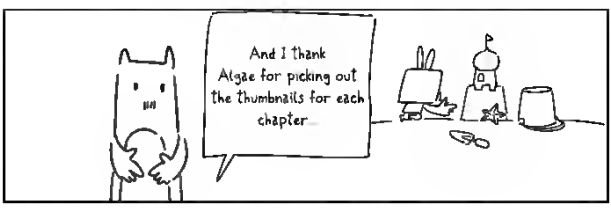
I have planned to write a comic that was easy to read
I had always tried to keep this during creating the comics. did I succeed?

#3

So while I take a short break from publication
I'll recover my depleted health and stamina
And spend a bit of time on the emoticons. I'll see you late October!

#4

I only hold thanks to you readers that have cheered me on until now



Sirs. I'll be expecting your support in the future as well
Bow!
